

## **Information of B + M Hungária Kft regarding the General Data Protection Regulation**

**Dear Customers, Suppliers, Business Partners and Interested Parties,**

Surely, you are all aware that the new General Data Protection Regulation (DSGVO in German) entered into force on 25.05.2018.

For this reason, we have updated our privacy policy and adapted it to the new situation.

An overview of our personal and corporate data management procedures can be viewed in the [Privacy Policy](#) at the following link:
