Notes

- * Low coverage colour, do not use for thin film (Factory System N° 2) and thick film (Factory System N° 3) applications; apply an additional white base coat on the wall
- ** The product's special finish means that it is not possible to reproduce the RAL colour indicated exactly

The shades shown in this colour chart are purely indicative. For colour selection you are referred to the Kerakoll RAL Colour Chart
NON-STANDARD COLOURS

For non-standard and non-coded colours, feasibility, delivery times and minimum quantities must always be requested.
If the technical feasibility is confirmed, a price range will be decided and Part A will be charged by 5%.
